

GCSACC CAPE SUMMER CLASSIC / TWO-MAN CHAMPIONSHIP

Rules of Play

Play of matches will be 4 Ball Match Play, Low Net. All matches will be played with 80% handicap allowance. We would prefer that teams consist of at least (1) Superintendent, but teams can consist of any two GCSACC members. Based on the number of entries, the Tournament Committee will create brackets based off current USGA handicaps.

- A. One point will be competed for on each hole. A match tied after 18 holes will go to sudden death, the first team to gain a point advantage wins
- B. Every player must have their up-to-date handicap index with them on match day. An up to date handicap card is defined as a minimum of three scores posted in the previous year.
 - a. Using the handicap index. Each player's local handicap will be obtained in the golf pro shop of the course at which the match is to be played, based upon the slope rating at that course. All matches are to be played from the middle set of Men's Tees (i.e. middle tress in a "forward, middle, back format"; "back tees in a forward, middle, back, championship format"); women shall play from the forward tees. Matches' may be played from any set of tee markers if mutually agreed upon; ensure handicapping index is done from the appropriate set of tees.
 - b. After handicaps are determined, the lowest handicap of the group will be subtracted from all the player's handicaps, thus reducing the lowest to zero, and the others to the difference between theirs and the lowest. Each player receiving strokes will then take them in the order assigned on the scorecard starting with the #1 handicap hole. (Ex: a player receiving 4 strokes will take one each on handicap holes 1, 2, 3 and r4.)
- C. USGA rules for 4 Ball Match Play shall apply. Every team is advised to have a rulebook present to settle rules questions amicably.
- D. Results are to be sent to the Tournament Director via email immediately after match concludes. The winning team has the responsibility for reporting the results of the match. Please send the results in the following format: Example; if Team A is up by two points through the 17th hole they win by 2&1. It is the responsibility of the player to record their own score.
- E. If two teams do not play before the deadline, a coin toss will determine the winner of the match. However, if it is determined that no effort was made by a particular team to complete the match before the deadline, the opposing team will be awarded the victory with a coin toss. Contact the Tournament Director if the deadline is nearing and you are having trouble scheduling the match.

F. Deadlines as Follows:

1 st Round- must be played on or before June 21st

Quarter finals-must be played on or before August 15th

Semi-finals-must be played on or before September 21th

Finals-must be played on or before October 31st

Please remember that all players are representing the GCSACC when they are guest of the host courses. It is very important that you check dress codes with the host course.

Entry Fee is \$50 per team. Half of the money raised from the entry fee will go towards the GCSACC Scholarship and Research fund. The other half will be paid as the winner's purse.
